The Star has put on the Greatest Voting Contest and Free Prize Offer that the county has ever known.

We will give, absolutely free, on February 1st, two magnificent \$400 Pianos to the two girls or ladies, married or single, receiving the greatest number of votes in this contest of energy and popularity.

The Pianos

The Star has a contract with the A. R. HARPER PIANO CO., of Jacksonville, to purchase from them two of their style M. Harvard Upright Pianos, of the following description: Cabinet Grand, 7 1/3 octaves, three pedals, ivory keys, full iron plate, triple unisons, repeating action, nickel action brackets, tuning pins and casted hammer rail, graduating pedals including soft stop or practice pedal, nickel pedals, copper-wound base strings; case is of Colonial design, with full-swing music desk with hand-carved ornaments, rolling fall board, continuous hinge, double trusses with handsome capitals; height 4 feet, 8 inches; length 5 feet, 2 inches; width 2 feet, 3 inches; with your choice of mahogany, walnut or oak, hardwood back. The Harvard is the most popular and the greatest seller made by the John Church Company, one of the oldest and best known piano houses in the world. The instruments are high-class in every respect, sweet-toned, very handsome in appearance, contain the best workmanship and material obtainable, and are fully guaranteed. They will be on exhibition in this city later on in the contest.

How to Enter the Contest

The Voting Contest will be conducted as follows: Every girl or married lady who resides in Ocala or receives her mail from this postoffice, will be eligible to enter the contest in the Ocala District. Every girl, young lady or married lady residing outside of the Ocala District, but within Marion, Sumter or Citrus counties, will be eligible to enter the contest in the country district. Fill out or have a friend fill out and bring or send to the Star office, one of the Nominating Blanks, found in the paper, which places you in nomination and gives you 1,000 complimentary votes, and can not be used again during the contest.

No votes will be sold at this office for less than the prices above scheduled. No employee or attaché of this office will be allowed to vote or in any way participate in the contest. Judges will be appointed, who will count the votes at regular intervals, and announce the standing of the different candidates. These judges will see that every candidate gets a fair deal. It is desired, at least while the contest is in the early stages, that votes be sent in daily.

Strictly a Home Proposition

This contest is strictly a home proposition. It is put on and conducted by the Star and no foreign company has anything to do with it. The Star simply buys the Pianos and gives them to you—if you are the lucky ones.

The contest will continue for three months, closing on February 1st, 1909. Now get to work. The pianos will not be won without an effort on your and your friends part.

BEAUTIFUL SONG RECITAL

The music lovers of Ocala have seldom enjoyed a more delightful treat than the song recital given this morning by Miss Inez Tolmie at the home of Mrs. E. Van Hood. About fifty ladies were in attendance and expressed themselves as charmed with Miss Tolmie's singing.

Miss Tolmie's voice is a pure, liquid, resonant mezzo soprano. She has had superb advantages, having studied under the best teachers in Nashville, Tenn., Chautauqua, N. Y., New York City and for the past year in Italy. Her program was varied and it was difficult to say in what style she excelled. The following were her numbers:

"When the Heart is Young"—Dudley Buck.

Caro Mio Ben—G. Gzorlani.

Were I a Star—C. B. Hawley.

Mattinata—Tosti.

Love Me if I Live—Arthur Foote.

Placer de Amor—G. Gzorlani.

Le Sarau Rose—Arditi.

Because—D'Hardelot.

Miss Tolmie was assisted by Miss Byrd Wartmann, accompanist, and Miss Gladys Tolmie, violinist. Miss Wartmann's artistic playing added much to the beauty of the songs and Miss Gladys' violin numbers were much enjoyed.

Miss Tolmie has a studio at 100 Port King avenue, where all interested in voice culture can consult her. Ocala is fortunate in having such a charming addition to her musical circle.

MAKING FRIENDS BY THE SCORE

There were a great many people in the Berlin last night, and all were charmed with the singing of Miss Etta May, as well as highly entertained by the extensive and elaborate picture program.

Miss Etta May is an European prima donna, a pupil of Lili Lehman of Berlin, Germany. Miss May was a star in London, Paris, and other foreign cities. The songs for tonight will be, "Gay Butterfly Waltz," by Holley, and "Good-bye, Sweetheart, Goodbye," by Tizler. All music lovers should hear her. The picture program will be fine, as usual. When it comes to getting good, clear pictures, Harry has no equal in this part of Florida.

A RARE TREAT FOR OCALA

Lincoln, Neb., Aug. 15, 1908.

As intense as LaFollette and as eloquent as William Jennings Bryan, Mary Harris Armour is a dynamic force on the platform, which is overwhelming and irresistible. To an audience of fully four thousand in number at the Nebraska Epworth Assembly, Mrs. Armour surprised, amazed and captivated all who heard her.

L. O. Jones, President.

Mrs. Armour will speak in Ocala the night of November 11th, at the courthouse on the occasion of the state meeting of the W. C. T. U. Everybody is invited. If you miss the occasion you will be the loser.

MANICURIST

Miss Goldsmith, an experienced lady manicurist, hair dresser, masseuse, etc., will be at Mrs. Bostick's millinery parlors in a few days and remain in town for a short time. The ladies are asked to call on her when she arrives, and have their nails, hair and scalp treated in a scientific manner.

Mr. A. D. Mitchell and J. W. Davis and his handsome son, J. W. D. Jr., came up from Summerfield today to hear all about the election. Mr. Mitchell said there was one voter in Summerfield precinct thought so much of Geo. Mackay that his name alone was marked on his ticket.

Mr. Louis Lang is the proudest man in Ocala today. With him it's not a question of which Bill is elected, but how his new ten-pound boy is getting along, and Dr. Walter Hood assures him he is a "bird," a chip off the old block, a Lang worthy of his sire. This momentous and happy event in the Lang family happened this morning. Mother and child doing well.

Mr. and Mrs. C. E. Melton and Dr. and Mrs. H. L. Montzery of Micah, spent few hours in the city today, shopping and looking over the town. They came down in Mr. Melton's automobile and had a pleasant run through the country. It was Mrs. Melton's first visit to Ocala and she was delighted with our little city and went into raptures over our court-house and grounds.

Wade Barrett, an old Ocala boy, but now representing an up to date Chicago tailoring house, with a complete assortment of men's fabrics for suiting, will be in Ocala Nov. 5 and 6, which will be Thursday and Friday, and located at M. Fishel & Son's emporium. If you desire a tailored suit and one that will make you conscious of being well dressed, give Wade Barrett a show. Read his ad in the Star.

Mr. and Mrs. H. C. Groves, who have been spending several days in the city, left this afternoon for their home in Tampa.

Mr. Neal Weathers of Flemington, came in with his father this morning to hear the election returns.

J. T. Watkins representing a Worcester, Ohio, china company, was in town today interviewing the trade.

Dr. Walter Hood was called to Crystal River this morning to attend Mr. John Juhan.

The Confederate Veterans held an interesting meeting this morning. The attendance was gratifying. Among those in attendance were Bob Frink, Berlin, who is said to be the youngest veteran on the dance floor of any of them and can shuffle them to a dead stand still, as he did at the Tampa reunion.

Miss Ruth Price, of McIntosh, is very sick with appendicitis. She was somewhat better yesterday and if she does not improve will be brought to the Ocala hospital for treatment.

High-Class Tailoring like Fred Kauffmann's

—or typical Tom-Dick-and-Harry "ready-mades?"

Shall a man dress to improve his appearance—and his chances in life—or simply to keep warm?

By himself and for himself must every man answer these questions.

Ready-made clothes could be made from the finest fabrics in the world—but even so they would still be "ready-mades" with the machine faults, loose ends, and "factory huts" written all over them. They might even be made into a "near-fit"—but the men whose opinion of the wearer would be worth the most to him would know him at a glance as a man not alive to the real best for himself—and therefore not, perhaps, the best man for them to establish relations with.

The best we can say—and really all we need to say—for "Fred Kauffmann Tailoring" is that the men who are hard to please because they know how garments ought to be made, are the quickest and most enthusiastic supporters he has.

And you may be sure he takes good care to keep their esteem—by the only sure guaranty possible, that of uniformly pre-eminent workmanship, perfect style, careful consideration of personal tastes, prompt, dependable service, and the best downright values ever known in the tailoring profession.

JUNIOR LEAGUE NOTES

The Junior League held its monthly meeting Saturday afternoon at the home of the superintendent, Miss Florence Walters. After a business session, Miss Florence Walters and Annie Pope Eagleton were elected to fill out the unexpired terms of Ruth Lester and Mamie Pedrick. It is a matter of great regret that the two latter are leaving the city, as they were ever faithful to the league and were good and competent officers.
